Notes: Fallbrook Woods provides individuals in need of memory support a life-enriching, secured environment, surrounde by compassionate and dedicated health-care professionals. All staff — including those in housekeeping, maintenance and dietary — are trained in how to relate to those with memory impairment. This training includes how to engage, redirect and nurture in a positive direction.

A Life Enrichment program, specialized for those with memory impairment, runs seven days a week, and into the evening. The program focuses on enabling the resident to be and feel successful by setting reachable goals and allowing them to lend a helping hand, if they choose. Each activity is specifically planned for the enjoyment of people living with dementia, we create our programs with a "failure-free" philosophy that respects each person's interests and abilities. In addition to scheduled activities, our staff provides a variety of small group and one-on-o Life Enrichment support throughout the day and often into the evening hours.

Short-Term Stays - Fallbrook Woods is pleased to offer the same top-notch care and amenities we have for permanent residents to those who just need a place to stay for the short-term. We charge a single daily rate, an provide all meals, laundry, housekeeping and care. A minimum of 3 week stay required. Contact facility directly fo more information and details.
