Extended care services include Geriatrics Primary Care Geriatric & Geropsychiatric Consultation, Geriatric Evaluation, Homemaker/Homehealth programs, Home Based Primary Care and Community Care/Social Worker Outreach.

The Maine Veterans' Dental Network (MVDN) has launched their new online application to apply for the program. This new online application is the Maine Bureau of Veterans' Services latest effort to streamline and deliver a mor efficient experience for Maine veterans. The new MVDN online application, along with all the Bureau's online applications can be found at https://www.maine.gov/veterans/program-webforms/index.html and will also be utilized to re-apply for the program in the new year.

The program is administered in partnership with 23 participating non-profit dental clinics, Federally Qualified Heal Centers, and Maine's dental teaching schools. Services are offered on a first-come, first-serve basis until grant funding is exhausted. Veterans applying for the program must submit their DD Form 214 (Honorable or General Under Honorable conditions) and proof of residency. Proof of residency can be established with a State of Maine Driver's License or Maine I.D. Card. If you need assistance completing your application or accessing your DD Form 214, please contact the Maine Bureau of Veterans' Services at one of our eight field offices and please bring the requested documentation to your appointment.

The Bureau's eight field offices can be contacted as follows:
Portland Field Office - 207-822-2391 or portland.mainebvs@maine.gov
Springvale Field Office - 207-324-1839 or springvale.mainebvs@maine.gov
Togus Field Office - 207-287-7019 or hvc.mainebvs@maine.gov

If you have questions about the MVDN program, contact the Bureau at 207-287-6836 or email mvdn.maine.bvs@maine.gov
