Alert 1 Medical Alert System

Contact:
Last Updated: 11/18/2024 3:09:32PM
Last Reviewed: 07/24/2024

Phones: (866) 402-4677 [Business]*

Address:

Web Site: https://www.alert-1.com/

Eligibility:

Notes: In-Home Medical Alert allows you to safely age in place with peace of mind. The base unit is easy to install and consists of a small speaker box that EITHER plugs into a phone jack on your wall and an electrical outlet (if you have a landline) or simply into an electrical outlet (if you do not have a landline). Press your 100% showerproof button, and the medical alert system will connect to our Command Center.

In-Home + Fall Detection Medical Alert devices include a medical alert pendant with built-in fall detection sensors The pendant will place an automatic call for help if it senses a fall, even if you are unable to push the button. This technology does not detect 100% of falls, so we recommend that members always press their buttons if they are able.

On-the-Go Wristband Medical Alert - Lightweight, stylish, and modern, our medical alert bracelet does not look lik a traditional emergency alert device.

On-the-Go Wristband + Fall Detection Medical Alert -Comfortable, bracelet-style medical alert has a built in 2-way speaker, location services, and fall detection sensors that can detect falls and send an alert for help even if you cannot press the button.

On-the-Go Medical Alert with GPS- The Mobile Medical Alert Device with GPS will keep you safe across the street across the country.

On-the-Go Medical Alert System with GPS and Fall Detection- This device will automatically place a call for help if senses a fall, even if you are unable to push the button. The technology doesn't detect 100% of falls - you should always press your button if you need help. Don’t worry if you don’t know where you are. Our medical alert device include built-in GPS technology, so we can send help to your location.

Address: [Business]
744 Roosevelt Trail, Suite 210
Windham, ME 04062 (Cumberland county)

Web Site: www.callhomesupport.com

Eligibility:

Notes: Home Support Services specializes in helping with housekeeping chores like vacuuming, sweeping, mopping floors grocery shopping, meal planning and preparation, laundry and making beds. Our caregivers make it possible for elderly clients to save their time for the more important things in life…being with family, going for walks, cuddling pet, and especially, remaining at home.

Personal Care Assistance is for elderly clients for whom Homemaker Service is not quite enough to meet their unique needs. For them, hands on assistance may be needed. Our experienced Personal Support Specialists have successfully passed State approved courses and will provide that personal service with respect and discretion.

To further compliment our in-home elder care services (and add another level of safety and security) we offer ou HelpLine® Medical Alert Systems. Intended for seniors who have an unsteady gait, history of falls, or live alone.. the medical alert system makes it possible to summon help by simply pressing a button.

Please call or visit the website for more information, current fees, and to arrange fo services.

Web Site: www.medguardalert.com/

Eligibility: Accepts Mainecare/Medicaid

Notes: MedGuard Alert, Inc offers all system types, from basic in home units to elaborate mobile GPS systems with fall detection and built in health monitoring sensors, ie. blood pressure, oxygen, heart rate, etc. MedGuard Alert, Inc. has over 20 years experience in medical alarms and senior safety products. The Service is customized to suit each individual's needs. For subscribers who are homebound or never go out by themselves, the in-home unit is recommended. Medguard Alert has a traditional landline unit that connects to the main phone jack in the home. That service works with VOIP, DSL, and various Cable modems. They also have a Cellular In-Home Unit, for those Subscribers that no longer have a landline. For those Subscribers who drive and are out and about frequently by themselves, we offer Mobile Help Devices that provide protection wherever they are in the United States, whether they are inside or outside of their home.

Private pay options range from $19.95 to $49.95 per month depending on the service level. Mainecare eligible provider for those under the Mainecare Waiver Program (Sec. 19).

Service area: Cumberland and York County as well as Statewide.

New England Emergency Response Systems

Contact:
Last Updated: 07/24/2024 2:05:28PM
Last Reviewed: 07/24/2024

Phones: (800) 888-0338 [Business]*

Address: [Business]*
15 Constitution Dr.
Bedford, NH (county)

Web Site: www.neers.com/products.php

Eligibility:

Notes: NE Emergency Response (NEER) offers a standard lifeline system where a push of a button alerts a monitoring center to send emergency or medical help. They now offer a lifeline system for those with cell phone service that will run during a power outage. NEER also feature units with assistive technology designed for those with extreme mobility or other issues.

Offers a medication dispenser that is a locking pillbox that can be programmed to dispense medication up to four times per day. At preset times, the medicine dispenser will beep to alert the patient that it is time to take their medication. The patient simply slides open the door to access their medication and silence the alarm. Should the patient fail to take their medication within 30 minutes, a signal will be sent to the monitoring center through the Personal Emergency Response System. Our monitoring center will attempt to communicate with the patient to determine the situation. Emergency help can be dispatched if necessary, or if no contact is made the monitoring center will notify a designated responder for follow-up.

SafeChek is a call service for seniors and others that provides medication and medical test reminders. A daily chec -in call to make sure the subscriber is all right is also an option. No special equipment is required other than a phone. An operator calls a client as scheduled for individual needs. If the operator does not get an answer after several calls, a designated responder such as a neighbor or relative is notified. Current fee is $39 a month

Serves York and Cumberland counties.

Please call for current information about installation and monthly fees; requests for financial assistance are considered on a case by case basis
