Special programs such as Thanksgiving and Christmas Food Baskets can be applied for through this office.

South Berwick Police Department offers a "Yellow Dot Program." This is a free program to assist first responders the first "golden hour" after a crash or medical emergency. Placing the yellow dot sticker in the lower left corner o your vehicle's rear window notifies first responders that there is vital medical information in the vehicle's glove bo This information is extremely important when a person is in medical distress and cannot speak to the first responders. Each Yellow Dot envelope contains a personal information sheet and a yellow window decal. There should be one personal information sheet for every person that regularly uses the vehicle. Fill the sheet out with pencil to allow for easy updating whenever medical information changes. Store the information sheets in the yello envelope and keep in glove compartment of the vehicle.

South Berwick has a Food Pantry for the benefit of our residents. The Food Pantry is managed by a group of dedicated volunteers and operates as a program of SoBo Central. This is not a Town function. Contact Bridget Pot at (207) 384-4324 or Tanya Cattabriga at (207) 651-5171 for more information or to sign-up.
