Notes: York Hospital Home Care provides nursing, physical therapy, occupational therapy, speech therapy, social worker, and home health aides. The team provides the clinical knowledge and expertise of a progressive home health agency with the caring and compassion that York Hospital has long been known for. We help to close the gap in t continuum of care by providing compassionate and quality services to enable patients to stay in the comfort of ho during times of recuperation, disability, or chronic illness. Patient care is individualized and communicated throughout the team. We work closely with a network of community programs with the goal of keeping the individual in their home for as long as possible. A nurse from our team is available 24/7 for patient or referral questions.

York Hospital Home Care is not limited to York Hospital patients: The team accepts referrals for evaluations and skilled home care regardless of healthcare system or hospital, for all patients living in the Berwick's, Eliot, Kennebunk, Kittery, Moody, Ogunquit, Sanford, Wells, and the York's. For more information, please contact us.
