Notes: Age Friendly Saco's mission, "A Community for a Lifetime", is to promote active aging by optimizing opportunities for health, engagement, and safety while removing barriers that prevent our citizens from remaining in their hom as they age.

In partnership with Habitat for Humanity and Efficiency Maine, we are able to offer free window inserts for weatherization projects and details for available cost-saving rebates for our residents. All Saco residents are eligible to receive buckets of a sand/salt mixture from Saco Public Works Department. To have it delivered, call 20 -710-5029 and leave a message with your names, address, and phone number.

Age Friendly Saco has launched its new SACO MOBILITY SHUTTLE! Providing door-to-door transportation to Sac Residents aged 60 years of age or older for groceries, daily living needs, library, and other locations. Currently, th Shuttle runs Monday, Wednesday and Friday from 8 AM to 1 PM. 48-hour notice is required to schedule a seat or our 9-passenger Shuttle. Shuttle riders must be independently mobile and must be able to embark and disembar without assistance into a passenger van with steps. For more information or to schedule a ride, call the Age Friendly Saco Mobility Shuttle at (207) 710-8527.

If you are 60+ years old or have a disability, you may be eligible for our free transportation service to medical appointments. We welcome Saco residents to register and schedule rides by calling 207-200-7668. Rides are provided by caring people who give their time to help others. Volunteers are screened, trained and required to ke confidentiality. All rides depend on volunteer availability, therefore, we request at least a 7 day notice when scheduling a ride.

For the HandyNeighbor Program, an AFS volunteer provides simple free services, such as installing grab bars, moving seasonal equipment such as air conditioners, changing light bulbs, or cleaning gutters to name some of th possibilities. These would be repairs which do not require a licensed contractor. Should you need a contractor, we have some listed whom we could recommend. Handy Neighbors IT component: Need help with your cell phone, Alexa, installing Blue-Tooth in your car? We have a small group of IT-capable volunteers who can help with these issues. Call the AFS office at 710-5029 if you need a Handy Neighbor. As well as, assistance navigating the world Medicare.

Nearly 100 towns, cities, counties, regions, and the State of Maine have embraced the importance of shaping grea places for people
to age by joining the AARP Network of Age-Friendly States and Communities. In 2022, the University of Maine joined the University of New England as a fully endorsed member of the Age-Friendly University (AFU) Global Network, making Maine a leader nationally and internationally in the age-friendly movement.

Across Maine, grassroots Lifelong Communities, formal members of the AARP Network, and others following a similar path, are leveraging local assets to build community capacity addressing challenges such as accessible spaces, access to technology, food security, home repair, transportation, and social connections. Offers exercise classes, tech support, yoga, art classes, Bridge, Bingo, craft group, etc. *Please note that ALL programs require advance registration! Members can now register for programs online on The Center website.

The Center also manages many community support programs and you do not need to be a member of the Center to take advantage of any of these services listed below. For more information on any of these programs, or to volunteer, please contact the Center (207-967-8514).

Caregiver Support Group - If you are the primary caregiver of a loved one, this group could offer the help needed to navigate your journey. This group meets every Monday, 11:00-12:00.

Elder Elves - Elder Elves are a special group of volunteers at the Center who collect gifts to go into festive bags that are delivered to older area residents who are alone during the holidays.

FISH (Friends in Service Helping) Transportation - Our FISH Transportation Program volunteer drivers provide rides to Kennebunk, Kennebunkport, and Arundel residents who need to get to medical appointments. Riders may use FISH Transportation when they have no other means (friends, family) of getting to an appointment. We cannot handle repetitive appointments for life-sustaining procedures or clients in wheelchairs as our volunteers are not trained to handle that type of transport. You must be registered in the program before scheduling a ride. We are always seeking new drivers.

Tender Loving Calls - Many older residents live alone and worry about falling or having an accident at home. TLC callers can be arranged to check on the well-being of these residents and ensure they are safe. There is no charge for this service.

Grief Support Group - If you have recently experienced the loss of a spouse, parent, child, family member or friend and are struggling to express your feelings of sadness, loneliness or even anger to close friends and family, this grief support group will offer you the room in which to express those feelings. All are welcome and membership is not required.
